

About Cembra Money Bank

Cembra Money Bank is a leading Swiss provider of consumer finance products and services. Its product range includes consumer loans, auto leases and loans, credit cards and insurances sold with these products as well as invoice financing, deposit and savings products.

Headquartered in Zurich, the Bank has operations across Switzerland via a network of 18 branches as well as alternative sales channels, such as the internet, credit card partners, independent intermediaries and more than 3,600 car dealers.

Cembra Money Bank is an independent Swiss bank and has been listed on the SIX Swiss Exchange since October 2013. It has over 800 employees from 38 nations and about 809,000 customers.
